

What to Expect During All-Stars

All-Stars is a more competitive, high-stakes environment than regular season play. Our goal is to advance through Districts, Sections, and State - and our approach reflects that level of competition.

Playing Time & Roles

Playing time is based on performance, game strategy, and coaching decisions. This is not a rotation-based format. Every player is valued, even if their in-game reps are limited.

How to Support Your Child

Focus on effort, attitude, and being a good teammate. Celebrate their hard work and the honor of being selected. Encourage them to grow through the experience, regardless of playing time.

Uniforms & Apparel

- All-Star jerseys and hats will be provided by the league.
- Pants, socks, and belts are required and must be purchased by families through the All-Star Player Team Store: <https://protimesports.chippily.com/TALLAll-Stars>
- For tune-up tournaments (which are not official Little League events), players cannot wear any league-provided apparel. Instead, families must purchase special shirt jerseys (labeled as 'practice shirts' in the player store, required for tournament play). Please refer to the player store for details.

Communication & Conduct

Please maintain a respectful tone when speaking to coaches, umpires, or other teams. Help us uphold the image of Turlock American as a league that plays hard and acts with class.

GameChanger & Staying Informed

A league-created GameChanger team will be provided to each age group. We encourage all families to use it for staying informed on schedules, practices, and team updates.

Why Tune-Up Tournaments Matter

These tournaments give players real-game reps before the All-Star tournament starts. They help:

- Build confidence
- Develop timing and team chemistry
- Prepare kids for competitive game pace

Entry fees are family-funded (typically \$50-75). For these tournaments, players will wear special practice shirts (required for participation, available via the player store as 'practice shirts'; please refer to the player store for details).

Team Swag & Spirit Wear

Optional team apparel for players and families is available through the All-Star Apparel Store: <https://protimesports.chipply.com/TALL> . Ask your coach for order info and deadlines.

Final Thought

All-Stars is a special opportunity. Thank you for supporting your player, the team, and the league. Together, we represent something bigger - let's do it the right way.
